

PYOBEN®

PYOBEN is a water based shampoo (no alcohol or acetone) containing Benzoyl Peroxide which has broad spectrum anti microbial and keratolytic properties. Pyoben has a deep cleansing effect into the hair follicles. Pyoben stimulates granulation tissues and increases oxygen tension in revitalized tissues.

Composition:

Each 100 ml contains:

Benzoyl Peroxide	3	g
Exipients q.s.p.	100	ml

Indications:

Superficial and deep pyodermic conditions in dogs or cats.

Directions:

Apply to wet coat, rub into skin, work into a lather. Leave 5 to 10 minutes, rinse well. Use every 3 days or as directed by your veterinarian. Re-evaluate diagnosis if no improvement occurs after 3 to 4 treatments.

Precautions:

Pyoben can only be used externally. Avoid contact with eyes and ears. Rinse eyes and ears with water if irritation occurs. If skin irritation occurs reduce frequency of washings. Keep out of reach of children. Benzoyl peroxide is an oxidizing agent and could cause stains on cloth, carpets and furniture etc.

Presentation:

237 ml bottle
